

# Windsor Plywood Clareview's EXTERIOR FINISHING

Cast from actual stone and rock. Manufactured with specially formulated polyurethane combined with fire retardants and UV inhibitors. So realistic that most people need to touch it before they can believe it's not real rock.

- Easy Installation using standard tools
- Lightweight—About 1 lb per square foot, easily handled by a single installer
- Cost Effective—easy handling saves on installation time
- Durable proven polyurethane product with specially developed in-mold coating system for long life and low maintenance
- 20-year limited manufacturer's warranty

**FROM... 14.88**  
Sq.Ft.

## TandoStone™ COMPOSITE STACKED STONE PREMIUM SIDING

(formerly Exteria)  
Transform your home from ordinary into extraordinary with this composite cladding. Crafted using real stone as a template, these life-like stone textures and colour variations create unprecedented authenticity. Add easy installation and remarkable affordability, and the vintage appeal of stacked stone.

- Panels are 44-1/2" x 19-1/2" overall
- Limited lifetime warranty
- Available in 10 colours
- Easy installation
