New! SIKA POST FIX

Sika Post Fix is an innovative product designed for installing fence, gate and signage posts easily and quickly. One bag of Post fix contains 2 resins that, once mixed, create an expanding and rigid foam. The product is very conveniently packaged, a 1 kg (2.5 lb) bag of Post Fix replaces two 30 kg bags of cementitious product.

- No more carrying of heavy concrete bags - 1 bag of Sika Post Fix replaces 2 bags of cementitious product.
- No mixing tools or water required - simply roll the bag to break the seal and allow the resins to mixed in the bag.
- Sets in 3 minutes, allowing faster fixing of posts
- Install your fence after 2 hours
- For all types of post: wood, metal, aluminium, PVC.
- Clean, dust free and with much reduced packaging to dispose of
